They used a SOW instead of a PWS.

Thank you, now was there a PWS?

Here's a copy of the SOW. It starts at the bottom of page one. As for the J&A, there wasn't one. This order was competed and sent to five (5) GSA vendors. Booz Allen Hamilton was the only vendor to submit a quote.

Hey Benita,

I just checked with Kush and it is not the same. It is concerning TO #15 and I got that and the SOW. So, what I need is the PWS and J&A the mentioned in the request.

DeEdria,  
Is this for the same FOIA request that Kush Khatri was working on a couple of months ago? He had my file for months and I finally had to go down to get it back.

Tanya and Benita,

Below, bolded and in italics is the language in a FOIA request that I have been assigned to respond to.

I found in EAS two contracts under the number, one with Benita as CO and one with Tanya as CO but one has more page than the other. I also found the SOL as well and one Task Order #15 and the SOW.

Can either of you provide me the PWS and the J&A that is also being requested. Also, if there are any more Task Orders and SOWs, I would greatly appreciate.

Being that I work from home now it would be also appreciated if you can send the information to me via email. Thank you both.

***Relevant to EPA / GS07F0056V Order EP09H001832 (clearly releaseable ok) we seek the task order with applicable Statement of Work or Performance Work Statement, and the contract officer's Justification and Approval ("J&A") required to justify the single source procurement.***
